- 50X1 1. There were a few factories in Poland [redacted]
50X1 [redacted] which were manufacturing military equipment. [redacted]
50X1 [redacted]
50X1 The six plants [redacted] were as follows:
50X1 (a) The Stalowa Wola Foundry (Huta Stalowa Wola), located in
50X1 Stalowa Wola [redacted] 5034N-2203E, produced cannons, artillery
50X1 equipment and tank plates, plus other unknown products kept
secret. This foundry was built in 1938 and all products
were for military use. The Stalowa Wola Foundry was controlled by the Ministry of National Defense (Ministerstwo Obrony Narodowej).
(b) The Starachowice Foundry (Huta Starachowice) located in
Starachowice [redacted] 5104N-2101E, produced military equipment
[redacted] details unknown. This foundry was built prior to World War II
and was controlled directly by the Ministry of National Defense.
(c) The Radom Arms Factory (Zaklady Zbrojeniowe w Radomiu),
located at Radom [redacted] 5125N-2109E, produced machine guns
[redacted] other production unknown. This factory was built after
World War II and produced only military equipment.

SECRET/SECURITY INFORMATION

-2-

- (d) The Dzieronilow Technical Radio Industry Enterprise (Sklady Przemyslu Radiotechnicznego w Dzierzonilow), located in Dzierzonilow /5043N-1639E/, until 1949 manufactured radio sets, but after that time produced electronic tubes for the military /details unknown/.
- (e) The New Mogila Foundry (Nowa Huta w Migilaie), located in Mogila /5004N-2005E/, was planned to be the largest one in Poland with a capacity of one million tons of steel per year, but for an unknown reason the construction of this foundry was halted in the Summer of 1951. The foundry was to be controlled directly by the Ministry of National Defense, and was to produce material for military use only.
- (f) The Wander Provisions Industry Enterprise (Sklady Przemyslu Spozywczego, Wander), located at Krakow /5005N-1955E/, was constructed prior to 1949, and until that time produced baking powder and similar products [redacted]. After 1950, however, this factory produced organic chemical compounds for military use /details unknown/. The factory was directly controlled by the Ministry of National Defense.
